Mission Statement

Catholic Cemeteries are places consecrated and set apart and, with consecrated churches, constitute the “sacred space which the church designates and reserves in this world exclusively for the worship of God. Unlike other burial grounds, they reflect the deep faith of Catholic Christians in the intimate connection between the death of the believer and the death of the Lord. They support our conviction of the Holy Spirit, and are an expression of the ministry of the Church to the bereaved among us and to the deceased themselves who continue to be members of the Church, suffering and triumphant.

The Catholic Cemetery seeks to assist people in accepting the reality of death in a context of faith in the promise of eternal life. Our facilities and services include a place for burial, an environment to meet the needs of the liturgy of burial, an atmosphere to encourage prayer for the dead and in which love is remembered, hope is rekindled and faith is awakened and strengthened.

We also seek to minister to the poor, who must be treated with dignity in life as well as in death. We are privileged to accept those deceased without family or funds to assure their Christian burial.

We minister to the living by helping them to anticipate their needs when the time will come for them to face the reality of death through the arrangement of burial space for themselves at a moment when they can acknowledge and address the issues surrounding their own mortality in an atmosphere of peaceful reflection. We seek to provide a systematic program of year-round care and maintenance of our cemetery so that it will preserve the beauty and dignity appropriate for this sacred space and be reflective of the esteem in which we hold those whose mortal remains rest here.

Ever since the Sacred Body of our Crucified Savior was reverently laid in the tomb, there to await the hour of its glorious Resurrection, the Church has been most solicitous to surround the burial of those deceased remains with reverence. In the Requiem Mass and burial prayers, the Church gives voice to her belief in the Christian Doctrines of the Resurrection of the Body, the Communion of Saints and Life Everlasting; but as a further seal and symbol of that faith, she sets apart and solemnly blesses the place in which the bodies of her faithful departed await the day of Resurrection.

In the very earliest days, Mother Church found it necessary to make rules and regulations which would protect the sacred places and the relics laid therein. She could not and would not allow anything within the holy precincts which would desecrate them, lessen their beauty, or bring dishonor on the dead.

To insure the sacred character of St. Magdalen’s Cemetery, in accord with the mind and traditional practice of the Church, and to establish and maintain good order, the following rules and regulations are in effect.

Almighty God, our Creator and Redeemer, by Your power, Christ conquered death rose to new life and returned to You in glory. May our brothers and Sisters whose bodies rest here in expectation of a like resurrection share His victory and enjoy the vision of Your glory forever. Forgive each of them, and all who die in Christ, and make them one with Him forever in the joy of Your presence. We ask this through Christ our Lord, who lives and reigns with You in the unity of the Holy Spirit, one God forever and ever.
